

MEAL PROGRAM GUIDELINES

During Construction

At RMHC of Nashville, we support families children are critically ill and being treated at a Nashville area hospital. Our renovation will allow us to serve four more families each day and to provide an up-to-date kitchen space for our families and meal groups to cook. Our kitchen will be closed until further notice. Even though our kitchen is unavailable, we still need meal groups to provide meals to make this house a home and to "keep families close."

***NOTE: During construction, we will not have access to our ovens, stoves, dishwashers, sinks, dishes, etc. All meals must be prepared off-site and dropped off in disposable containers. Unfortunately, we will not be able to accommodate groups who wish to cook at the house and/or stay to serve the families.**
