

Holiday Wishing Tree

Will you help make our wishes come true?

We appreciate your commitment and support to our mission of caring for families who have a critically ill child during this holiday season. Our Wishing Tree helps us make the holidays a little bit brighter for families staying with us.

Ornaments offer gift ideas for pediatric patients, siblings, and caregivers who stay with us at the Nashville Ronald McDonald House this season. They also provide a variety of household and pantry items needed to operate our House and hospital-based Family Room and Comfort Closets.

It's as easy as making a wish!

Decorate your tree with the downloadable ornaments from our website: <https://rmhcnashville.com/holiday-wishing-tree/>

Encourage your coworkers, team members, customers, students, friends & family to purchase items listed on the ornaments. Duplicates are welcome!
